Bundle deliveries (Amazon Day)
Consolidate shipments to one weekly delivery window to cut last-mile trips. Increases on-time delivery and reduces packaging touches.
Shop Climate Pledge Friendly
Prefer items with trusted eco-labels (Climate Pledge Friendly) and select 'ships in fewer boxes' where available.
Shift short trips
Swap ride-hail <3 miles for transit, bike, or pooled rides 2x/week.

Hello, Eco-Champ! Let's energize your week with some planet-friendly savings. To achieve your 10% reduction goal (~710 kg CO2e), focus on these key areas:
1. **Rethink Air Travel:**
- Explore alternatives or postpone flights.
- Reducing just 10% of your typical air travel could save ~640 kg CO2e.
2. **Conscious Retail:**
- Pause before buying and ask if it's essential.
- Skipping one planned retail purchase can save ~50-100 kg CO2e.
3. **Smart Commute:**
- For local trips, replace two ride-hail journeys with walking, biking, or public transport.
- This can save ~60 kg CO2e.
Your 7-day micro-challenge:
- Replace all ride-hail trips with walking, biking, or public transport.
You've got this! Every small step makes a big difference for our planet!
Reduction Plan (Agent)
Agent target:
10%
